 6. Mr. Engineer & Ms. Engineer (Only for Final Year Students)
 7. Art Gallery.
- In "**Student Identity Card Design**" & "**Staff Identity Card Design**" competition 50 students have been participated.
 - We conducted **Paper Presentation** competition for all branches separately. 124 students participated in Paper Presentation competition.
 - In **Poster Presentation** 48 students had shown their interest. The Topic was very innovative, "**Role of Technology in Growing India**".
 - There was a huge response for Robotics Competitions. In **Robo-race & Line-follower** 150 students took part.
 - A very new competition we conducted this year was **Blogging**. In this competition also response was overwhelming. Students created their own blog to access useful information, provide important links for project work, etc.
 - Our ISTE coordinators organized "**Mr. Engineer & Miss Engineer**" competition for Final year students. Participants had gone through lot many rounds like 1. General Knowledge Round 2. Technical Round 3. Non-Technical Round 4. Visual Round 5. Personality Development Round and finally 6. Judge's round. In Judges round examiners asked questions under 11 heads. On the final day of ISTE Technical Events, we got one Mr. Engineer & one Miss Engineer.
 - On the last day, we did **prize distribution** Guests inaugurated a **Book on Personality Development**, written by one of our girl student, Miss. Pratibha Reddy. On that day only we organized **Art Gallery** to show the creativity & artistic mind of upcoming Engineers.
